April 19, 2011

I wish to thank you for providing an information table for the Christina School District's Transition to Adult Life Fair on April 12, 2011. I have received much positive feedback from families and staff. They found the information to be very pertinent and timely.

I look forward to working with you in the future and having you come again to support the families in Christina School District.

With much appreciation,

Cathy Cowin
